Come join your fellow sewers for a discussion and workshop on sewing lingerie. Our presenter is Monica Bravo of BravoBella Bras.

During Saturday's presentation, Monica will discuss techniques for sewing lingerie, as well as the types of fabrics, notions and elastic application used. While focused on lingerie, her techniques can be applied to various garments. She will also do a pattern analysis for panties and camisoles, explaining how to match the patterns to different body types.

Sunday's class will be a hands-on panty-making class. Participants will receive her Bravo Bottoms panty pattern with three style options, as well as a fabric kit. You'll walk away with at least one pair of great-fitting panties!
