

Entries Needed! Don't miss your chance to enter a juried show and raise funds for the Shorelake Arts Council. The big fundraiser Gala for the Shorelake Arts Council is featuring WEARABLE ART made and exhibited by The Greater Seattle Chapter of the American Sewing Guild (that's you)! We will have a runway fashion show and a "meet the artist—with samples to view" for an entire hour of their program. Plus, donated items from our members will be featured in their auction. What an honor for us!

Entry form and submission instructions are included in the February 2026 newsletter. This is a juried show and only the top 20 will be on the runway, but all the others will be displayed on dress racks on the floor where you (or your friend) can talk about the techniques used to create the piece.

This will all happen at Shoreline Community College. More info will be provided when we respond to your entry, including how you can get dinner and how you can bid on auction items.
