

Pretty Necklines for Knits

With Katrina Walker

April 11, 2026

1:00pm – 3:00pm

Continue your sewing with knits journey in the second FREE ASG members ZOOM class from Katrina Walker.

Learn techniques to make your next T-shirt not-so-basic with one of these pretty neckline finishes! Katrina will demonstrate a variety of beautiful, professional-looking neck finishes that are easy to create with a serger or regular sewing machine. You can then create your own technique samples using the provided pattern templates and supply list. Never sew a boring T-shirt again with these easy-to-sew techniques. A great class for taking your casual wardrobe up a notch.

An optional class workbook with written and illustrated instructions is available for purchase and download from KatrinaWalker.com.

Just like for the March class from Katrina, an Evite will be sent to all members. Please respond if you will be able to attend. A week before the class, the Zoom link will be sent to those who responded “Yes”.
